In your weekly email there is a link to the livestream of service.

- When you click the <u>www.facebook/towsonpres</u> link you will see the screen below.
- Just put your pointer on the church page and click.

When you go to view a post you may see the screen below.

You do **not** need to log in or register.

• Just beneath those options is a small "Not Now" in blue. Click that.

You can now scroll down to the "posts". If you don't see the video, try "refreshing" the page.

- Go to the top of the page where <u>www.facebook</u> is in the URL bar.
- There is a symbol, a circular arrow, **click that**. The page will refresh.
- You may need to do this a couple of times until the video begins.
